More info...

Although I'm exhausted, I'm now home with only two children -- two who are ready for back-to-school tomorrow!

### Blogging

Blogging piques interest of wine industry (South African Wine News)

"Bloggers and wine bloggers in particular have become among the most powerful voices in America when it comes to discovering new places, new ideas and to defining the trends and conversations," said Tim Zahner, Director of Public Relations and Marketing at the Sonoma County Tourism Bureau.
